

Shandong Liwald Energy Technology Co., LTD

CI-4 10W40 inspection report

Execution standard: GB11122-2006

inspecting item	reference in dex		Inspection index	Determine the result
	CI-4 10W40			
Kinematic viscosity (40℃) m m ² / S	—		108.87	qualified
Kinematic viscosity (100 ℃) m m ² /S	12.5-16.3		14.12	qualified
Flash point (opening), ℃	Not le ss tha n	205	220	qualified
pour point ℃	Not higher than- 30℃		-38	qualified
viscosity index	///		131	qualified
Low-temperature dynamic viscosi ty of mPa. s (℃)			6860 (-25)	qualified
Water content,% (m / m)	No more than t races		not have	qualified
mechanical admixture	Not greater than 0.01		0.003	qualified
spumescence	///			qualified

Conclusion: qualified

Test by: Jiang Xiaohui
